

Non-slip floor marking tape 1.2 mm thick, Type: YELLOW

Order data

Order number	964950 YELLOW
GTIN	4005546982489
Item class	97M

Description

Version:

Self-adhesive extra thick floor marking tape for indoor use. **Slip prevention R10** to ASR 1.5/1.2 floors. Abrasion-resistant and hard-wearing thanks to the high-quality extruded material.

Thickness 1.2 mm. Strong adhesive bond thanks to the bevelled edges. These prevent damage to the floor marking tape when moved over. Suitable for areas where there is fork-lift truck traffic (without any turning, steering or braking movement).

Standard:

DIN EN ISO 7010, ASR 1.3, ASR 1.5/1,2, DIN 51130.

Technical description

Length	30 m
Adhesive	Acrylate
