Order data

Order number	091482 114
GTIN	4057121033055
Item class	09S

Description

Version:

High-quality protection for welders in modern two-colour design. Constant and optimum flame retardant for welding work. Pleasantly comfortable to wear whilst at the same time providing a high degree of protection. Indanthren dyed for high colour-fastness. The medium-weight fabric quality of 330 g/m² is particularly suitable for welding work with higher demands for freedom of movement. Permanently flame retardant – even after washing 100 times, as specified by EN ISO 15797.

Splash series work jacket with variable collar which can be worn as a stand-up collar or fold-down collar.

- **Two breast pockets with flap and hook and loop fastening.**
- **Width adjustable sleeve cuffs with snap fasteners.**
- **Two side access pockets with concealed zip fasteners.**

Standard:

- **EN ISO 11611, Klasse 1, A1, A2**
- **EN ISO 11612, A1, A2, B1, C1, E2, F1**

Note:

This sizes listed in the shop are the DE clothing sizes. Please see the size table or the technical data for the corresponding sizes for your country.

Available in other colours on request. Size table showing equivalent international sizes can be found on our information section at the end of the catalogue.

Welder's protective work jacket in **dark anthracite / grey** with textile weight **525 g/m²** certified to **EN 11611, class 2** under **No. 091501**.
