

**KNEETEK®**  
Intelligent Knee Protection**Underarm bandage, right-hand, black, Type: L/XL****Order data**

Order number	091995 L/XL
GTIN	4260138254034
Item class	09R

**Description****Version:**

**Bandage ideal for prevention**, takes the strain, protects and stabilises. The protection afforded by the bandage promotes regeneration of the affected joints and counteracts injuries. It **offers support** and provides selective **compression**. Ideal for work situations where the joint is particularly stressed, such as when working with cordless power tools.

- **Resilient material.**
- **Easily secured.**
- **High wearing comfort and optimum seating.**

Individual adaptability due to the adjustable hook and loop fastening.

**Note:**

Underarm bandage **left-hand version** under **No. 092002**.
