

KNEETEK®
Intelligent Knee Protection**Underarm bandage, right-hand, black, Type: S/M****Order data**

Order number	091995 S/M
GTIN	4260138254010
Item class	09R

Description**Version:**

Bandage ideal for prevention, takes the strain, protects and stabilises. The protection afforded by the bandage promotes regeneration of the affected joints and counteracts injuries. It **offers support** and provides selective **compression**. Ideal for work situations where the joint is particularly stressed, such as when working with cordless power tools.

- **Resilient material.**
- **Easily secured.**
- **High wearing comfort and optimum seating.**

Individual adaptability due to the adjustable hook and loop fastening.

Note:

Underarm bandage **left-hand version** under **No. 092002**.
