

KNEETEK®
Intelligent Knee Protection**Thumb wrist bandage, left-hand, black, Type: L****Order data**

Order number	092001 L
GTIN	4260138254102
Item class	09R

Description**Version:**

Bandage ideal for prevention, takes the strain, protects and stabilises. The protection afforded by the bandage promotes regeneration of the affected joints and counteracts injuries. It **offers support** and provides selective **compression**. Ideal for work situations where the joint is particularly stressed, such as when working with cordless power tools.

- **Resilient material**
- **Easily secured.**
- **High wearing comfort and optimum seating.**

Individual adaptability dues to the adjustable hook and loop fastening.

Note:

Thumb wrist bandage **right-hand version** under **No. 091994**.
