

Half round file with 2-component handle, Cut 2 (2nd cut), Length without tang: 200mm

Order data

Order number	513201 200
GTIN	4009215190687
Item class	56B

Description

Version:

The blanks are forged and ground; manufactured with an exact cut of even density and depth using special machines. These **non-convex files** have tooth profiles appropriate to each grade of file.

With helical cut; convex end.

File ready driven into ergonomic 2-component file handle with hole for hanging up and **handy colour-coded clips** (red, green, yellow) for individually identifying e.g. the cutting pattern.

Application:

The **quality file** for workshop use with long tool life and high removal rate.

Standard:

DIN 7261 Form E

Note:

File without handle available under No. 513200.
