Description**Version:**

Reusable mouth-nose mask, of the proven HAKRO Mikralinar[®] performance mixture. It is provided with an integral metal nose clip, so that it fits perfectly at the bridge of the user's nose.

- **With integral folds, all edges hemmed.**
- **The straps can be tied behind the head or round the ears.**
- **"One-size-fits-all"**
- **Washable at up to 60°C (blue) or 90°C (white).**
- **This HAKRO mouth-nose mask is neither a medical product nor personal protective equipment (PPE).**
- **Wash the mask before using it / wearing it.**
- **Before and after taking the mask off or touching it in any other way, wash the hands and contact areas of the face with soap and water and/or clean them with a suitable disinfectant.**
- **Wear the mask only over the mouth and nose.**
- **If moisture starts to penetrate the mask, take it off or change it.**

Attention:

Use biocidal products carefully. Before use, always read the label and product information.
