

Respirators, set Aura series 9300+, Type: P2V_BULK

Order data

Order number	097107 P2V_BULK
GTIN	4054596041226
Item class	04M

Description

Version:

The Aura™ 9300 + series is characterised by new filter technology with **hardly any perceptible breathing resistance**. The **three-part design** ensures a pleasant wearing sensation and good visibility. The sealing points on the upper side of the mask reduce the occurrence of condensation on glasses. Because of the **flexible nose clip** and the **movable chin strap** the mask can be easily positioned and does not slip even when the user is talking. Due to the fold-away technology and hygienic individual packaging the mask can also be carried very easily. With **exhalation valve**.

Standard:

EN 149

Product features: Flexible nose clip

Set contents: 330

Manufacturer's designation: 9322+

Protection level: FFP2 NR D

Contents: 330
