| Item class | 03R |

Description

Version:

Sturdy aluminium casing, cable of stainless steel.

Balancers make power tools, especially heavy ones, both easier and safer to use.

- **“Weightless” equipment.**
- **Tidiness at the workplace.**
- **Equipment and tools within easy reach.**
- **Safety at the workplace due to suspension of equipment and leads.**
- **Equipment in clear view and in reach of the user.**
- **Weight compensation and thus balance can be maintained over the entire cord travel.**
