

**Garant****Plastic grinding bodies Taper, medium, Type: 1919K****Order data**

Order number	501565 1919K
GTIN	4062406372811
Item class	58F

**Description****Version:**

**Plastic grinding bodies** (aluminium oxide abrasive grit bonded in plastic) have a **low density** and a **softer substrate**. This enables **gentle processing** and the **grinding bodies do not become clogged**. Significantly **lower abrasive effect** compared to ceramic grinding bodies. Finish grinding to polishing.

**Application:**

For **fine grinding** and for **light deburring work** on soft materials such as **aluminium, copper** and **plastic**. Achieves very high surface quality with a matt sheen.

**Taper** form for workpieces with **bores and contours**.

**Technical description**

Grit designation	medium
Shape description	Taper
Height	19 mm
Width	19 mm

Series	GMT
Grinding media	regular aluminium oxide (A)
Grinding medium code	A
Product name attribute	medium
Contents	25 kg
Type of product	Grinding body
