

Spray-on grease White Lithium Grease, Contents: 500ml

Order data

Order number	083058 500
GTIN	5412386004940
Item class	08E

Description

Version:

General-purpose spray-on grease, white, with PTFE with excellent adhesion. Provides long-term protection and lubrication for moving parts and sliding surfaces (e.g. chains, ball bearings, hinges), even under heavy loadings (up to 120°C). Resistant to water and high pressure. Protects against moisture. Easy to apply, first penetrating then thickening and becoming tacky. Prevents damage caused by wear and corrosion.

Note:

Not available in all countries. Express delivery not possible.

Technical description

Flashpoint	< 0 °C
Spray head	Standard
Spontaneous ignition temperature	200 °C
Boiling point	60 - 100 °C
hazardous goods class	2.1

Labelling of hazardous substances	GHS07 caution
Labelling of hazardous substances	GHS02: Flame
Contents	0.5 l
Colour	white
Solubility in water	insoluble
Type of product	Lubricant
