

# Countersink, form D 60°, uncoated, Ø DC: 63mm

#### **Order data**

| Order number | 150860 63     |  |  |
|--------------|---------------|--|--|
| GTIN         | 4045197087447 |  |  |
| Item class   | 11M           |  |  |

## **Description**

#### **Version:**

The chip flutes are ground from solid up to size 31.5. Countersink point and circumference are relief ground and cut easily. This results in easy and **chatter-free cutting** for deep countersinking, as well as for deburring or countersinking.

### **Application:**

For chatter-free countersinking and deburring.

Especially suitable for chamfering tapped holes and for countersinking in jig and tool making.

#### Note:

For suitable reducing adapters for tools with MT shanks see No. 343000-343530.

### **Technical description**

| External Ø                              | 63 mm        |  |  |
