

Set of holders, Type: 2Q

Order data

Order number	149650 2Q
GTIN	2050002059542
Item class	14B

Description

Version:

High-quality **holders** for taps and dies for use on conventional lathes. Set of holders with quick-change system for internal threads **M3 – M16** and external threads **M3 – M14**.

Supplied with:

Complete set of holders with bits and sockets, in a synthetic leather case.

Without cutting tools. Complete set of holders with bits and sockets, base holder with four attachments for dies (mm) 20×7/5; 25×9; 30×11; 38×14/10 and one attachment for taps as well as an MT3 face mill arbor, without cutting tools.

Note:

A reducing adapter (see No. 343000) can be used to easily change the existing **MT3** face mill arbor on the machine to accept MT4 or larger. Further holder sets, reducer pieces and individual holders available on request.
