

Garant**Single clamping pot, Type: 120I****Order data**

Order number	360026 120I
GTIN	4045197812384
Item class	310

Description**Version:**

The zero point clamping of the GARANT ZeroClamp system is an important function for modern production systems, especially in automated production. Thanks to a special contact interface, it ensures precise and reliable zero point repetition accuracy. The pneumatic clamping force of the system holds workpieces securely in the desired position, making it possible to change workpieces quickly and accurately without repositioning. This reduces the set-up effort and increases productivity. The zero point clamping of the GARANT ZeroClamp system is indispensable for efficient production processes. Find out more about the innovative technology from GARANT ZeroClamp and optimise your production.

Supplied with:

1 × single clamping pot with support, 1 × coupling plug, 3 × clamping claws.

Technical description

Indexing hole available	yes
Holding force	25 kN
Height H	44 mm

Clamping pot \varnothing d	120 mm
Support \varnothing	140 mm
Series	ZeroClamp
Type of product	Clamping pot
