

**Acrylic coloured paint blood orange, Contents: 400ml****Order data**

Order number	083109 400
GTIN	5412386201158
Item class	08E

Description**Version:**

Quick-drying acrylic-resin-based coloured paint with high coverage and filling characteristics. With its unique combination of flexibility and impact resistance, the product is highly resistant to external influences and offers long-term protection for every type of surface. The top coats are scratch-resistant and impact-resistant and have high UV and weather resistance. For use both indoors and outdoors.

Note:

The surface must be clean, dry and free of rust, dust and grease. Shake the can well before use.
