

Garant GREENPLUS

GARANT GreenPlus Flex Cleaner, Contents (ml or l): 500**Order data**

Order number	088001 500
GTIN	4062406400866
Item class	01L

Description**Version:**

NSF certification. Suitable for use in the food industry.

The **flexible degreaser** for quick cleaning of oils, emulsions and greases. Can be mixed with water up to a ratio of 1:10. 500 ml spray bottle made from 100% recycled PET. Can be refilled many times.

The Flex Cleaner is also suitable for low-foaming use in high-pressure cleaners and floor cleaning systems and thus can be used flexibly wherever foam could be problematic. During cleaning, aluminium and brass surfaces in particular are protected against tarnishing up to 75°C. Temporary corrosion protection is provided by the cleaner. For manual use, spray the cleaning agent and wipe it off with a cloth after a short processing time. When used in the foodstuffs industry, wash the surface with sufficient water after cleaning.

- **Carries no hazard labels.**
- **Can be used manually and with a machine.**
- **NSF-certified for the foodstuffs industry.**

Technical description

Colour	transparent
Shape	liquid
