

Garant GREENPLUS

GARANT GreenPlus Finisher, Contents (ml or l): 20**Order data**

Order number	088004 20
GTIN	4062406403133
Item class	01L

Description**Version:**

NSF certification. Suitable for use in the food industry.

The **degreaser and finisher** for fast, daily removal of cutting and corrosion protection oils, light waxes, emulsions, sticky residues and other contamination. Meets the highest cleanliness requirements, especially before lacquering, coating and bonding. Drastic VOC-reduction compared to conventional solvents. 20-litre can. If necessary, please order the appropriate discharge valve (No. 088010 size 20-30).

Finisher is a suitable alternative to solvents, cold cleaners or cellulose thinners. The contained corrosion inhibitors ensure temporary corrosion protection. In comparison to conventional aqueous cleaners, evaporation happens more quickly.

- **Carries no hazard labels.**
- **Can be used manually.**
- **For refilling spray bottles and pressure sprayers.**
