

Garant GREENPLUS

GARANT GreenPlus Inox Care, Contents (ml or l): 20**Order data**

Order number	088005 20
GTIN	4062406403157
Item class	01L

Description**Version:**

NSF certification. Suitable for use in the food industry.

Cleans, protects and preserves stainless steel, aluminium, non-ferrous metals and plastics. Removes dust, fingerprints and oils reliably and easily. Leaves behind a brilliant shine. 20-litre can. If necessary, please order the appropriate discharge valve (No. 088010 size 20-30).

The stainless steel cleaner is ready for use and should be used manually. An absolute must for high-quality devices, surfaces and metal components, which also need to be reliably protected for long periods of storage. The stainless steel spray is particularly suitable for the metalworking and automotive sector. Due to the NSF certification, it is also suitable for use in the foodstuffs industry for cleaning and care of large systems.

- **Carries no hazard labels.**
- **Can be used manually.**
- **NSF-certified for the foodstuffs industry.**
- **For refilling spray bottles and pressure sprayers.**
