

Garant**Pair of gloves MASTER CUT C OIL, Glove size: 11****Order data**

Order number	094418 11
GTIN	4062406423285
Item class	01H

Description**Version:**

Close-fitting and extremely comfortable thanks to 18-gauge knitting technology. Pleasant nitrile micro-foam coating for exceptionally good sense of touch and high degree of dexterity. Therefore highly suitable for precise handling of sharp-edged parts. Also ideal for wet or oily environments thanks to 3/4 nitrile coating that extends over the knuckles. A second coating layer of sanded nitrile on the palm of the hand and fingers ensures a particularly secure grip. With reinforced thumb joint for longer working life.

GARANT MASTER CUT C OIL. Very flexible cut-resistant gloves with cut protection level C. Highly suitable for **oily working environments with high cut hazards**, e.g. on cutting machines.

Standard:

EN 388; EN ISO 21420

Note:

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof.
