Description

Version:

Cleaning refers to the process of removing stains/spots and contamination from surfaces, machines or tools using cloths which are used either dry or with water, solvents or cleaning agents.

The Tork Low-Lint Cleaning Cloth is strong and flexible. The cloths come in a refill roll for a bucket that allows you to make your own moistened cleaning cloths using the chemicals you need, while the one-at-a-time dispensing and easy closing lid prevent the cloths from drying out.
