

**Heavy Duty adhesive tape Length 18 m, Type: B/Y****Order data**

Order number	964980 B/Y
GTIN	4042448574626
Item class	97M

Description**Version:**

Self-adhesive floor marking tape **tesa® anti-slip Heavy Duty 60954** for indoor and outdoor use. Developed for continuous heavy-duty applications and extreme conditions, e.g. for use with construction vehicles or on platforms and ramps. Adheres securely to most surfaces, resistant to salt water and chemicals, good weather resistance. Adhesive tapes consist of a PVC backing coated with extra-large particles. **Non-slip properties R13 (R12 for size B/Y). Thickness 1.36 mm.**

Standard:

DIN 51130.

Technical description

Thickness	1.36 mm
temperature-resistant up to	80 °C
Stretch capability	35 %
Tensile strength	400 N/mm
Adhesive strength on steel	70 N/mm

Type of adhesive tape	single-sided
Application	Marking
Width	50 mm
Colour	black / yellow
Special features	tearable by hand
Backing material	PVC film
Length	18 m
Adhesive	Acrylate
Type of product	Floor marking tape
