

**TMSERROR, Type: CEE****Order data**

Order number	081148 CEE
GTIN	4007123654437
Item class	08B

Description**Version:**

Output socket with spring-loaded covers. The sturdy plastic-coated tubular steel frame ensures stability and additional casing protection. The casing is additionally equipped with an ergonomically shaped carrying handle. The oil-resistant rubber cable can be easily stored on the wind-up feature. In addition, the 30-mA RCCB for personal protection and the lockable protective cover ensure greater safety at the workplace.

Function:

IP44: Protected against splashed water from all directions and protected against penetration by foreign bodies with $\varnothing > 1 \text{ mm}$, however tools and wires should be kept away.

Attention:

German version

Technical description

Cable colour	black
Power supply	Mains operated
IP Index of Protection	IP 44

Height	250 mm
AC supply voltage	400 V
Number of sockets 230 V/16 A	4
Number of sockets 400 V/16 A	1
Weight	8.25 kg
Width	320 mm
Number of sockets 400 V/32 A	2
Cable length	2 m
Plug type, input	F
Type of product	Power distributor
