

Garant**Storage box, Size: S****Order data**

Order number	096900 S
GTIN	4062406574482
Item class	01C

Description**Version:**

Storage box made from sturdy ABS plastic for secure and clean storage of personal protective equipment at your workstation. The box can be attached to our perforated panels (volume 3 Workstations and Storage) using conventional fastenings – attachment is also child's play using the Easyfix adapter supplied. This means your PPE, such as safety glasses, respirators, hearing protection or hand protection, can always be stored where it is needed. Not lockable.

Supplied with:

Supplied with four self-adhesive mandatory signs for individual identification, Easyfix adapters, plugs and screws.
