

Electrician's gloves, Glove size: 11

Order data

Order number	094919 11
GTIN	76490055684
Item class	04P

Description

Version:

The Marigold insulation gloves for electricians from Ansell are made of pure natural rubber latex for unique flexibility and freedom of movement for the fingers. Their ergonomic design, with a shape that reflects the hand in a natural resting position and non-splayed fingers, prevents hand fatigue.

Specification:

Work with the risk of a contact voltage of $WS \geq 1,000$ V.
