

Ansell**Electrician's gloves, Glove size: 11****Order data**

Order number	094918 11
GTIN	76490104306
Item class	04P

Description**Version:**

The Marigold insulation gloves for electricians from Ansell are made of pure natural rubber latex for unique flexibility and freedom of movement for the fingers. Their ergonomic design, with a shape that reflects the hand in a natural resting position and non-splayed fingers, prevents hand fatigue.

Specification:

Work with the risk of contact voltage of $WS \geq 500$ V.
