

Safety coupling with external thread, aluminium, Connection external thread: 3/8 inch

Order data

Order number	080152 3/8
GTIN	4047322348522
Item class	08A

Description

Version:

Safety coupling with push button, nominal bore 7.2. Pushing the button releases the pent-up pressure - the coupling can then be disconnected without triggering a whiplash effect.

Standard:

Die Sicherheitsversion entspricht ISO-Standard DIN EN ISO 4414.

Technical description

Connection external thread	3/8 inch
Operation	Push button
