

## Safety coupling with external thread, aluminium, Connection external thread: 1/2 inch

### Order data

Order number	080152 1/2
GTIN	4047322348539
Item class	08A

### Description

#### Version:

**Safety coupling with push button, nominal bore 7.2.** Pushing the button releases the pent-up pressure - the coupling can then be disconnected without triggering a whiplash effect.

#### Standard:

Die Sicherheitsversion entspricht ISO-Standard DIN EN ISO 4414.

### Technical description

Operation	Push button
Connection external thread	1/2 inch
