

Eye-wash, Shank size: 1

Order data

Order number	984150 1
GTIN	662641921580
Item class	97S

Description

Version:

Wall-mounted eye and face shower with **ABS cover** for indoor use. Can also be set up outdoors, provided there is no possibility of freezing or overheating.

Integral cover incorporated with the intake valve. Swinging away the cover causes the shower to be actuated automatically. The cover also ensures that the basin remains clean and free of dirt.

Quantity control valve for an optimum amount of water. Ventilated jet regulators offer improved washing performance. To ANSI standard.
