

Eye-wash, Shank size: 3

Order data

Order number	984150 3
GTIN	662641921689
Item class	97S

Description

Version:

Portable eye, face and body shower for places that are not suitable as permanent installation locations. 15-litre pressure cylinder made from stainless steel with hose and hand shower permits effective treatment for up to 3 minutes. Pressure gauge and double-acting safety valve prevent overpressure and help with pressure dissipation during cleaning and servicing. Supplied with test label for recording performed tests / maintenance work.
