

Safety coupling with hose coupling, aluminium, Hose internal thread connection \varnothing : 6 mm

Order data

| | |
|--------------|---------------|
| Order number | 080156 6 |
| GTIN | 4047322348546 |
| Item class | 08A |

Description

Version:

Safety coupling with push button, nominal bore 7.2. Pushing the button releases the pent-up pressure - the coupling can then be disconnected without triggering a whiplash effect.

Standard:

Die Sicherheitsversion entspricht ISO-Standard DIN EN ISO 4414.
