

Safety coupling with hose coupling, aluminium, Hose internal thread connection \varnothing : 9 mm

Order data

Order number	080156 9
GTIN	4047322348553
Item class	08A

Description

Version:

Safety coupling with push button, nominal bore 7.2. Pushing the button releases the pent-up pressure - the coupling can then be disconnected without triggering a whiplash effect.

Standard:

Die Sicherheitsversion entspricht ISO-Standard DIN EN ISO 4414.

Technical description

Hose internal thread connection \varnothing	9 mm
