| Order number | 097791 SYNC |
| GTIN | 7312550343210 |
| Item class | 09A |

Description

Version:

The passive ear defender can be linked to a mobile phone using Bluetooth®. A microphone with wind protection, for clear comprehension of speech in noisy working areas, permits the **use of a mobile phone to make calls**. Incoming calls can be accepted and terminated without complications at the push of a button. In addition there is the facility via the **Bluetooth® interface to transfer all the audio functions of the mobile phone** to the ear defenders. A 3.5 mm jack plug offers a second way of connecting a mobile phone. A rotary knob allows adjustment of the volume and colour LEDs give feedback on the various settings. SNR = 30 dB (H = 30 dB, M = 27 dB, L = 23 dB).

Combines hearing protection, headphones and microphone.

Application:

For communication in noisy working environments.

Standard:

EN 352-1; EN 352-6; EN 352-8

SNR value (noise attenuation): 30 dB(A)

Working time: 50 h

Weight: 387 g

Technical description

| | |
|-------------------------------|----------------------|
| Number of batteries contained | 2 |
| Power supply | Battery-powered |
| Working time | 50 h |
| Weight | 387 g |
| SNR value (noise attenuation) | 30 dB(A) |
| Battery type | Mignon, AA |
| Manufacturer's designation | SYNC WIRELESS IMPACT |
