| Order number | 094304 11 |
| GTIN | 4062406745660 |
| Item class | 01H |

Description**Version:**

MASTER FIT fitters gloves. With innovative water-based PU nitrile coating for high precision, flexibility and sense of touch in dry working environments. Finely structured surface on the palm of the hand due to complex finishing process. **Suitable for touch screens**, allowing smartphone and other touch screens to be operated without removing the gloves. Long life due to very high abrasion resistance. DMF-free and Oeko-Tex® certified.

Protects against electrostatic discharges.

Standard:

EN 388, EN ISO 21420

EN 16350

Note:

Gloves which protect against electrostatic discharges do not insulate the hands against electrical voltages. Not suitable for working on live cables or for protection against electric shock - they protect only the product.

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof.
