

**Garant****Pair of gloves MASTER FIT ESD, Glove size: 6****Order data**

Order number	094304 6
GTIN	4062406742393
Item class	01H

**Description****Version:**

**MASTER FIT fitters gloves.** With innovative water-based PU nitrile coating for high precision, flexibility and sense of touch in dry working environments. Finely structured surface on the palm of the hand due to complex finishing process. **Suitable for touch screens**, allowing smartphone and other touch screens to be operated without removing the gloves. Long life due to very high abrasion resistance. DMF-free and Oeko-Tex® certified.

**Protects against electrostatic discharges.**

**Standard:**

EN 388, EN ISO 21420

EN 16350

**Note:**

Gloves which protect against electrostatic discharges do not insulate the hands against electrical voltages. Not suitable for working on live cables or for protection against electric shock - they protect only the product.

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof.

**Technical description**
