

## Core LED torch with batteries, Type: P6-CORE

### Order data

|              |                |
|--------------|----------------|
| Order number | 081370 P6-CORE |
| GTIN         | 4058205028554  |
| Item class   | 04B            |

### Description

#### Version:

Ledlenser is one of the technology leaders for LED torches. Within the **splash-proof aluminium housing**, all the contacts are gold-plated, **high-quality lenses** gather the light uniformly and without losses. All lamps are equipped with focussable lamp head.

Core series Ledlenser, the new generation of the well-known P series.

#### Function:

IP54: Protected against splashed water from all directions and protected against penetration of dust into the inside (protected against dust), also completely protected against touching.

#### Supplied with:

Supplied with batteries and wrist strap.
