

WYPALL
ONCE USE**WypAll® L30 Ultra™ wipes Large roll, Type: W****Order data**

Order number	089282 W
GTIN	5033848032532
Item class	08T

Description**Version:**

The WypAll® L30 wiping paper range is characterised by tear resistance and absorbency for demanding cleaning jobs. WypAll® L30 wiping paper for cleaning and maintenance from the Jumbo roll is ideal for heavy-duty use, wiping up industrial liquids, and cleaning parts and components. The blue roll is also easy to recognise in contamination critical environments. These WypAll® wipes come with a value that you would expect of a single-use wipe, but they still have extraordinary tear resistance and absorbency, which reduces material consumption and costs. WypAll® L30 wiping paper can be used with cleaning agents or disinfectants. According to the appropriate tests, these industrial cleaning wipes are suitable for use in spray and wiping systems in conjunction with peroxyacetic acid, hydrogen peroxide and quaternary ammonium cations (quats).

Technical description

Manufacturer's designation	L30 Ultra
Sleeve Ø	6 cm
Weight	8 kg

moist	no
Suitability for cleaning	yes
Perforations	1000
Layers	3
Width	350 mm
Length	380 mm
suitable for holder / dispenser	089265, 089266, 089267
Type of product	Paper wipes
