Description

Version:
The WypAll® X60 range was specially developed as a lightweight, durable cloth for handling various light-duty wiping processes. As a market leader in terms of versatility, we want to help you increase your productivity and efficiency, while at the same time reducing waste by offering a clean and reusable cloth that you can rely on at all times. Thanks to the advanced Hydroknit™ technology, every cloth is lightweight yet absorbent – for less residue and versatile cleaning for a wide variety of tasks. The cloth is perfect for use in industrial production and is ideal for removing light oils, adhesives and deposits. It is also suitable for cleaning glass and glossy surfaces.
