Description**Version:**

The WypAll® X80 range has been developed especially for heavy-duty wiping on rough surfaces, especially where tear resistance and bulk are key requirements. WypAll® X80 wipes do not tear and retain their quality and size in the long term. 70% of users were impressed by the durability of the cloths, leading them to be preferred over rags by 3 times more users. As a market leader in tear resistance, we would like to help you increase your productivity and efficiency, while at the same time reducing waste by offering a clean and reliable cloth with longer usability. The advanced Hydroknit™ technology ensures that every cloth is strong, hard-wearing and extremely absorbent and does not tear. Ideal for use in industrial production.
