Description**Version:**

The WypAll® X90 range has been especially developed for manufacturing processes in which durability, low lint formation and high liquid absorption are key requirements. WypAll® X90 releases 90% of absorbed solvents and can reduce product waste by up to 35%, helping you manage spend and wastage. Suitable for the toughest of jobs around your facility, when you need durability, low lint and high fluid absorbency. Leading the way in solvent wiping, our goal is to support you in improving productivity and efficiency whilst reducing waste by delivering a clean, reliably consistent and reusable cloth. Advanced Hydroknit™ technology ensures each cloth is strong, durable, highly absorbent and solvent resistant. Ideal for use in industrial production.
