

## WypAll® cleaning wipes Dispenser bucket, Type: W

### Order data

Order number	089291 W
GTIN	5033848002498
Item class	08T

### Description

#### Version:

Safe, simple and reliable: the **Wettask™** bucket enables more efficient removal of wipes and can be filled with the cleaner and solvent of your choice. The Wettask™ wiping system gives you wipes are soaked with the desired amount of liquid. As a closed system, the Wettask™ bucket ensures fewer VOC emissions are emitted and enables a reduction in solvent consumption by at least 20%. It can also be stacked to save space.
