

KIMTECH**Kimtech™ Wettask™ ESD wipes dispenser Dispenser bucket, Type: K****Order data**

Order number	089240 K
GTIN	5027375050756
Item class	08T

Description**Version:**

Safe, simple and reliable: the **Wettask™** bucket enables more efficient removal of wipes and can be filled with the cleaner and solvent of your choice. The Wettask™ wiping system gives you wipes that are soaked with the desired amount of liquid. As a closed system, the Wettask™ bucket ensures fewer VOC emissions are emitted and enables a reduction in solvent consumption by at least 20%. It can also be stacked to save space.

Wettask™ dispenser system with first-class protection for processes in ESD-sensitive areas and potentially explosive areas.

Technical description
