Description**Version:**

Innovative and **sustainable safety glasses** from the uvex i-range planet series. Manufactured in an environmentally friendly manner which conserves resources, through the use of recycled and organic-based materials. The glasses have a **flat lens design** and thus offer an unrestricted field of view. The **x-tended sideshield** provides additional side protection. The **ergonomically shaped arms** ensure a perfect, secure fit without pressure points. Due to the uvex supravision excellence coating the glasses are **permanently free of condensation** and the outside is **scratch resistant and resistant to chemicals**.

With **soft, flexible gasket** for a universal fit and additional protection against liquids, particles and dirt.
