

## Four-pin crimping tool SelectorCrimp HDT-48, 2-component handles, Type: 3

### Order data

Order number	729560 3
GTIN	4049002145704
Item class	73T

### Description

#### Version:

Special crimp pliers for processing turned contact pins and socket contacts in the DT series of TE Connectivity (previously: Deutsch contacts). Crimp mandrel can be adjusted via Selector with 8 positions. **Optimised opening aperture, ergonomic design and reduced manual force requirement.** Quality testing by means of Go-Nogo gauges (**optional No. 729561 size 3**). Reliable crimping due to positive barrier and synchronised advance of the crimping pins.

#### Application:

For turned pin and socket contacts

#### Supplied with:

Four-pin crimp tool with universal contact mounting in system packaging.
