

IMPAKTOR bit for Phillips, 1/4 inch E 6.3 Set of 5 bits, Cross-head size: 3

Order data

Order number	674121 3
GTIN	4013288223784
Item class	63H

Description

Version:

Selected steel quality, hardening technique, production process, and special geometries lead to outstanding results with IMPACT screwdrivers. In connection with the diamond coating (significantly reduces cam-out forces) and the torsion zone, **working lives up to 5 times longer** than standard bits are achieved.

Application:

Due to their rotational impact function, IMPACT screwdrivers generate a number of peak forces, which "normal bits" cannot withstand over the long term. IMPAKTOR bits are specially designed for use in impact screwdrivers and, depending on the drive, increase the working life of the bits to several times the life of conventional standard bits.

Technical description

Drive profile	Screwdriver for TORX® screws
Bit hexagon shank	E 6.3
Bit length	50 mm
Number of pieces	5

Colour coding	yes
Type of product	Bit tool
