HOLEX

LED pen torch with rechargeable battery, Type: 120

Order data

Order number	081360 120
GTIN	4062406942557
Item class	02A

Description

Version:

Sturdy, rechargeable LED torch made of anodised aluminium. **The 2 settings** with additional **boost function** provide **outstanding light output** for all applications. The single-hand focussing enables quick and easy adjustment of the beam.

- $\cdot\,$ Charging and discharge monitoring by means of coloured LED in the switch.
- Long running time with constant light output.
- · USB-C charging socket.
- Anti-roll protection.
- With focussable lamp head.

Function:

IP54: Protected against splashed water from all directions and protected against penetration of dust into the inside (protected against dust), also completely protected against touching.

Supplied with:

Supplied with USB-C charging cable and battery. With hand loop.

Note:

For suitable replacement batteries see No. 081365

Technical description

Type of rechargeable battery	Lithium-ion
Light current boost	130 lm
Illumination time boost	30 s
Replaceable battery	yes
