

## Garant

### Comfort safety glasses, Lens tinting: GREY

#### Order data

Order number	096200 GREY
GTIN	4067263162872
Item class	01C

#### Description

##### Version:

Due to its large lenses, the safety glasses with a modern design offer reliable protection against dust, dirt and other hazardous foreign bodies. Due to the well-thought-out and slim design, the glasses can also be combined with other PPE (such as respirators, ear defenders). The coating offers the wearer permanent **freedom from condensation** and is also **scratch resistant (KN certified)**. The **length and angle** of the temples are adjustable and can thus be individually adapted to any head shape. In addition, the **soft components** at the end of the arms and in the nose area ensure a pressure-free and comfortable fit and more wearing comfort – even when worn for long periods of work.

##### Standard:

EN 166; EN 172

##### Supplied with:

Safety glasses are supplied with the glasses case No. 096937.

#### Technical description
