

Garant GREENPLUS

GARANT GreenPlus ultrasonic cleaner Sonic Protect CP, Corrosion protection, Contents: 1l**Order data**

Order number	088019 1
GTIN	4067263733157
Item class	01L

Description**Version:**

GARANT Green Plus **ultrasonic cleaner** – top performance with maximum flexibility. Do you work with complex workpiece geometries and delicate surfaces? Then the Sonic Cleaner series is made for you. The cleaning series from GARANT GreenPlus, specially designed for ultrasonic systems, includes alkaline, acid and neutral cleaners for a wide variety of materials and fields of application. Depending on the requirements and degree of dirt, the highly concentrated cleaners can be diluted and are powerful even at room temperature. This makes optimum use of the medium. Their long service life also saves time and money. All Sonic Cleaners are **hazard-label-free, biologically degradable, VOC-free and silicate-free**. For companies, this means the products are easy to handle and ensures both your employees and the environment are protected.

Sonic Protect CP – **corrosion protection** additive for metallic materials susceptible to corrosion, such as steel, cast iron and carbides. Materials are coated with a molecular protective film, which permits temporary intermediate storage. Sonic Protect CP is low-foam, easy to wash off - subsequent coating or hardening processes are possible. Can be combined with Sonic Cleaner AL-E, AL-D and N. Can also be used in passivation baths or dip baths and as a water treatment agent.

Application:

For ultrasonic cleaning baths.

Additive for metallic materials susceptible to corrosion, such as steel, cast iron and carbides.

Suitable for:

These materials are coated with a protective film of a molecular thickness, which temporarily protects them against corrosion. Subsequent coatings or hardening processes are unaffected.

Technical description

Mixing ratio	0.5 – 2.5 %
Fill capacity liquid	1 l
Storage temperature	20 - 80 °C
pH value	8.6
Sustainability	GARANT GreenPlus
Series	GreenPlus
Product name attribute	Corrosion protection
Type of product	Ultrasonic power cleaner
