

EFFBE**Machine mount with height adjustment LM, maximum load capacity: 3000kg****Order data**

| | |
|--------------|---------------|
| Order number | 086002 3000 |
| GTIN | 4045197349446 |
| Item class | 08Y |

Description**Version:**

Anti-vibration systems for machines. The decoupling of machines and equipment, which are sensitive to vibration, improves process reliability and accuracy. The inserted elastomers damp body noise, vibration and impacts, and ensure optimum production results with reduced noise levels. All mounts are easy to fit and have levelling adjustment.

Elastomer metal machine mount in compact design with integrated levelling system using central adjustment screw.

Application:

For setting up machines without anchoring to the floor.

Note:

For higher loads and special applications further mounts are available on request. Air support pads available in the online shop under No. 086003 size SLM1 – SLM12.

Technical description

| | |
|--|---------|
| maximum load capacity, milling machines | 1500 kg |
| maximum levelling range (height adjustment Ni) | 20 mm |
| Thread Ø G | M16×1.5 |

| | |
|---|------------------------------|
| Screw length S | 100 mm |
| maximum load capacity | 3000 kg |
| Ø D | 160 mm |
| permissible static load | 4000 daN |
| maximum load capacity, press brakes | 2000 kg |
| maximum load capacity, lathes and surface grinding machines | 1000 kg |
| Height H | 35 mm |
| Type of product | Anti-vibration machine mount |
