

Pliers wrench set Joker 6004, self-adjusting, insulated to VDE, Number of pieces: 4

Order data

Order number	813755 4
GTIN	4013288221803
Item class	63F

Description

Version:

- **Parallel guided, smooth jaws.**
- **New stepless self-adjustment by easy seating on hex-head bolts and hexagon nuts.**
- **Quick and secure screw fastening without removing the socket insert, due to the mechanical ratchet function.**
- **Lever mechanism when gripping avoids slippage and damage.**
- **Particularly small backswing angle of only 30° due to the Vee profiles in the head across the corners.**

Individually tested tool in accordance with **DIN EN IEC 60900 / VDE 0682-201**. Safety is increased by the anti-slip protection at the front end of the handle. Additional protection through the sliding function for contactless and safe opening of the non-insulated jaws.

Material:

Chrome molybdenum steel, matt chrome-plated.

Supplied with:

1 each pliers wrench No. 813750: Size XS; S; M; L
Presented in: Textile folding wallet
