

Garant
Height extension base for centring vice, Length/pitch: 170/52

Order data

Order number	363090 170/52
GTIN	4067263031536
Item class	310

Description
Application:

For raising the centring vices No. 363000 and 363300 on 5-axis machines. The base element is **always** the adapter plate No. 363079, onto which the height extension base with centring vice is mounted.

Supplied with:

Centring bushings, 4 short fastening screws for mounting the centring vices on one height extension base and 4 long fastening screws for mounting the centring vices on two height extension bases.

Note:

Two height extension bases can be used on top of each other so that the height can be increased by 100 mm!
